

# spice it up!

## Supelclean<sup>™</sup> Ultra 2400 SPE for Dry, Difficult Samples

Having trouble analyzing pesticide residues in dry commodities? Are the residual oils and pigments contaminating your chromatographic system, fouling your instrument, or giving you inaccurate or irreproducible results?

Brighten your analysis with Supelclean<sup>™</sup> Ultra 2400 SPE cartridges!

- Remove highly concentrated pigment and oil interferences
- Achieve ppb level detection of pesticides by GC/MS/MS and LC/MS/MS
- Attain improved recovery of even the most challenging planar pesticides without using toluene
